Name of student: _____

Name(s) of parent(s)/guardian(s): _____

Grade level of student (2020-2021): _____

Affiliated sports association: _____

After reading Hadley and Philemon’s sport-études checklist and completing the registration form, this letter of commitment confirms our dedication to the sport-études program for the 2020-2021 school year. If, after the registration closes, Hadley and Philemon schools move forward with offering the sport-études program, this letter of commitment indicates that _____ will remain in the sport-études program as registered. We understand that any changes to our decision, prior to September 30th, will impact the other students in the sport-études cohort and may result in the program being closed due to insufficient enrolment. Registration to the other programs of study at Hadley and Philemon (such as the enriched French program) are based on availability and cannot be guaranteed if we change our decision about programming following our commitment to the sport-études program.

This letter of commitment must be signed and returned with the sport-études 2020-2021 registration form before 3:30 PM on Friday, March 27th.
