**Covid-19**  
**Weekly Update for Students and Parents**

Dear WQSB students and parents,

As we continue to face the challenges that the Covid-19 pandemic poses, I speak on behalf of the entire WQSB administration team when I say that I hope you are safe and well.

Please take a few minutes to review the information below.

- K-4 Registration: information regarding K-4 registration for Eardley Elementary, Lord Aylmer Elementary, and Wakefield Elementary Schools will be published (WQSB website, school social media platforms, local newspapers) this week.
- School Re-Registration Process: as you likely know by now, the student re-registration process is being done through the Parent Portal. You are asked to please complete the process (which takes approximately 10 minutes to complete); in the event you are experiencing difficulty, please send an email to [admissions@wqsb.qc.ca](mailto:admissions@wqsb.qc.ca)
- We have received a number of questions regarding the “return-to-school date for students”. Please note that at this time, the Ministry of Education has not changed the May 4<sup>th</sup> date for return to classes. In the event that the Ministry does in fact extend this date, parents will be advised immediately.
- A number of you have also sent email enquiries regarding final marks and evaluations. Please note that we are waiting to receive directives from the Minister of Education, which as is the case with school return information, will be shared with parents, teachers, administrators, and students once received.
- All end-of-year exams have been cancelled; the Ministry of Education has made it clear that this decision will not be reversed.
- Weekly resources for students continue to be provided by the Ministry of Education. These include a) weekly learning kit and materials; and b) Open-School online learning platform.

I ask that you please direct questions to the following email address: [WQQuestions@wqsb.qc.ca](mailto:WQQuestions@wqsb.qc.ca)

Sincerely,

GEORGE SINGFIELD  
Secretary General – Director of Corporate Services and Communication
