Premier Legault also made several announcements concerning a change to sanitary measures regarding the organization of graduation ceremonies and proms. Although some modifications may be made to some ceremonies already planned, due to logistical issues and tight time lines, it may not be possible to redesign school graduation plans. Each school will communicate their graduation ceremony plans to their communities.

The following is a synopsis of Premier Legault' s announcements concerning graduation ceremonies:

**Graduations – Handing out of Diplomas Ceremony**

- The handing out of diplomas can happen during the school day, after school or on a weekend.
- Parents can now attend the graduation ceremony.
- A maximum of 250 people may attend the ceremony with more information to come on sanitary measures. (i.e. masks and physical distancing rules)

**Graduation Proms**

- From July 8 onwards, graduation proms will be permitted in an outside venue with a maximum 250 people, more information to come on sanitary measures. (i.e. masks and physical distancing rules)

Sincerely,
