Supporting Professional Integration La Relance

Education and training

Socio-professional Integration and employment

For Who?

La Relance supports people with employment-related functional limitations—such as a physical disability, cognitive impairment, learning disability, or intellectual disability—in their job search efforts.

Ways to access services at La Relance :

- Referral from Services Québec
- By phone, email, or in-person visit to the Counseling Center
- Referral from a service provider (school, CISSSO, other regional organization)

Valeurs

- Respect
- Empathie
- Professionnalisme
- Intégrité
- Engagement
- Développement durable

Specialized Program for People with Disabilities (PH1)

Support, guide, and equip individuals so they can become self-reliant in their job search

Propulsion

Format: one-on-one meetings
- Duration: 6 to 12 months

Specialized Program for People with Disabilities (PH2)

Supporting job retention through follow-up meetings and/or workplace interventions

Unpaid internship at the La Relance Technology Department | Training tailored to the semi-skilled profession of electronic device recycling, combined with social and professional support (annual cohort of 12 participants starting in September; not a rolling admissions program).
